- Flights in the period from **2017/11/18** to **2017/11/29**
- Croatia Airlines (OU) operating flights only, including Air Nostrum flights operated on behalf of Croatia Airlines

How do you use the promo code?

In order to obtain the discount, you need to indicate that you have a promo code (tick the box) on the search page and at the step 3. PAY enter the promotion code in the appropriate field.

The discount is applicable to all passengers in one reservation.

Special remarks

- The discount is applicable to ticket fare only, all taxes and charges have to be paid in full amount.
- The number of reservations to which the code can be applied is limited.
- Changes and reimbursement depend on the tariff terms and conditions. If the tariff conditions allow changes (with or without additional charge), the discount will not be applied to the new ticket.
